

PC² Web Team Interface (WTI)

Josie Isaacson, Andrew Combs, Ethan Holman, Dani Frodge

June 12, 2019

Table of Contents for Files

- Testing:
 - Contains the spreadsheet of user testing scenarios.
- Documentation:
 - Contains the following folders:
 - DevOps:
 - Contains a .csv of all user stories done in Microsoft Azure DevOps. Also contains documentation related to DevOps and scrum.
 - Tech Docs:
 - Coding Guidelines
 - Technical Specifications
 - Installation Guide
 - Videos explaining Angular UI file structure
 - Build notes
 - User Manual:
 - Contains the user manual intended for WTI users and a file of screen shots used for the user manual.
 - Meeting Notes:
 - Contains meeting notes taken at meetings with extensive discussion (not just group coding sessions).
 - SRS:
 - Contains the SRS, original requirements document, and project notes.
- Presentations:
 - Contains all sprint presentations and final presentation. Also includes screen recordings of WTI demos.
- Designs:
 - Contains initial mockups, final mockups, and additional graphics used in the WTI.

All WTI code is contained in the PC² repo.
